Our challenge started

Translation of the Rules of the Game into Spanish by Grace Dondi.
Together with the Rules, acknowledgements began
Thinking as an Organization

- Mission:
  To spread and promote the teaching of Netball, organizing workshops and courses in all Argentinian institutions, following the rules of its maximum authority, the INF and becoming the link for the development between it and the Spanish-speaking countries.

- Vision:
  To create a volunteering structure capable of thinking, projecting and working in a team, for netball, allowing the democratic participation of all its members.
First visits with workshops
