**Bid to Host Netball World
Youth Cup 2025**

Foreword

Welcome

The Gibraltar Netball Association, with support from Her Majesty's Government of Gibraltar ("HMGoG") is seeking the hosting rights to the Netball World Youth Cup 2025. This document expresses our enthusiasm, intention, experience and ability to develop and deliver an elite championship event that all stakeholders can be justly proud of.

Gibraltar as the host country will approach this event with great initiative and a unique perspective to ensure that we set the standard for future events.

Gibraltar, there's no place quite like Gibraltar!

Dominated by the 'Rock of Gibraltar', the gateway to the Mediterranean Sea, with the continent of Africa on its doorstep, rich in history and a blend of cultures Gibraltar is a unique destination which has something for everyone who visits it.

We will surround the event with our own distinctive culture and our population of 32,000 will welcome the Netball Families from across the world by providing a friendly, netball passionate, family-oriented, atmosphere in keeping with the best traditions of Netball.

Gibraltar has all the essentials for staging a world-class event: Excellent facilities, breathtaking views, cultural diversity and friendly people.

A handwritten signature in blue ink, appearing to read "Moira Gomez".

Executive Summary

Netball is the leading women's sport in Gibraltar and the second largest overall with only football boasting more members. The last five years have seen the Gibraltar Netball Association (GNA) develop into an organisation that is not only well drilled but has very clear targets and objectives and is now also well respected within the international netball fraternity. Testament to this is the continued trust placed by Netball Europe (NE) on the GNA to host events on their international calendar.

Gibraltar in general also has an excellent track record in hosting events of an international calibre so it therefore makes perfect sense to bid for the honour of hosting the Netball Youth World Cup 2025 (NYWC). This is particularly pertinent given the recent unprecedented investment made by Her Majesty's Government of Gibraltar in terms of sporting infrastructure and ancillary facilities.

The GNA are well placed to take Netball in Gibraltar to the next level and the hosting of the NYWC 2025 with all its obvious benefits pre and post event provides a fabulous platform to ensure continued improvement and development.

Thought to be extinct, one of the rarest of all known plants the Campion was accidentally rediscovered in 1994, still growing in Gibraltar. Subsequently, our national netball team are known as the Gibraltar Champions.

Aims & Objectives

Gibraltar is a devoted sporting community with 42 registered sports associations, 22 of which are either full members of, or are affiliated to their International governing bodies. Participating is a key part component of membership however HMGoG encourages members to strive for improvement and be ambitious hence why registered governing bodies are continuously applying to host events on the respective International calendars at a European and World level.

As a result of this policy Gibraltar now holds an excellent track record for the hosting of events across a wide range of sporting disciplines. In July, 2019 Gibraltar hosted the XVIII Natwest International Island Games, the largest multi-sport event ever to be held on the Rock. The 7 day event saw 14 sports contested attracting 1624 athletes, 944 officials (including team and technical officials) and 151 media representatives from the 22 member islands.

The Games benefited from the largest sporting infrastructure investment in Gibraltar's history. Five world class facilities were built and these now remain as the legacy of the Games and will be used to attract higher calibre events whilst improving the product offered to those who are already in partnership with local sporting bodies.

Local Netball

The Gibraltar Netball Association (GNA) is one of the most active associations in Gibraltar having hosted five Netball Europe (with two INF ranking) events in the last ten years. 2020 should have seen event number six but Covid-19 meant that this had to be postponed.

Gibraltar's second largest sporting body the GNA now boasts over 800 members from the age of 5 upwards. They are an extremely well-oiled machine at a local level and are well respected internationally with the GNA President recently becoming the European representative on the INF Development Working Group and now an elected member of the Netball Europe Management Board. The GNA can also boast having an International Talent Identified Umpire- A Award with others following on this pathway soon. These achievements are a great indicator that the GNA are now ready to push on to take their sport to the next level.

**TEAM
GIBRALTAR**

Local Benefits & Objectives

Build on the event led tourism model which is effective and successful

Continue to improve existing venues with capital investment in support of hosting World Class Events

Tap in to Community outreach events as part of the NWYC 2025

Increase participation of women and girls in netball and provide opportunities to boost their self esteem

To provide an international competition held in world class sporting venues that showcases the GNA's hosting talents to the international Netball family

To continue to develop women's sport at all levels.

To promote Gibraltar as an active member of Netball Europe and World Netball

Recognition of Gibraltar as an elite venue for International Netball Events

To provide a platform for local talent to be showcased in a World Class event

HM Government of Gibraltar

Ministry of Housing, Infrastructure,
Technical Services, Youth and Sport

29 June 2020

The President
International Netball Federation
Manchester
United Kingdom

Dear President,

As the Minister for Sport and on behalf of Her Majesty's Government of Gibraltar, I am delighted to confirm that the Government is fully committed to supporting the Gibraltar Netball Associations' bid for the 2025 Youth World Cup.

After the success of the Natwest International Island Games held in Gibraltar in 2019 and the recent investment by our Government in respect of state of the art sporting facilities, Gibraltar and its people are more than ready to welcome the 2025 games to our shores.

The warmth and hospitality of the local multicultural community and their love for sport and its development will with no doubt, make the 2025 Youth World Cup an outstanding success.

Yours Sincerely,

The Hon Steven Linares MP
Minister for Sport

NETBALL
Europe

June 29th 2020

Reference: Netball World Youth Cup 2025

To Mes Dames,

On behalf of the Netball Europe Management Board I would like to advise you that we are supporting Gibraltar in their bid for the 2025 Netball World Youth Cup.

The Netball Europe region comprises of 10 member countries, 3,492 clubs and 128,675 members, all of which would love to have an event taking place in their region.

Gibraltar became a full member country of Netball Europe in October 1995 (25 years ago).

During this time they have demonstrated enthusiasm, commitment and have successfully organised and run five International Netball Europe tournaments.

- NE U17s 2009 (Challenge and Championship Competitions)
NE Open 2012 and INF Ranking competition
NE U17s 2016 Challenge
NE Open Challenge Cup 2018
NE u17s Challenge 2019
Pending-NE Open Challenge 2020 postponed till Nov 2020

All Open Events have been Ranking matches, run at an international standard.

All of which have proved to be very successful events.

The NE Technical director has been working closely with Gibraltar Netball and their Athlete Services Team educating and ensuring they understand and are able to deliver international standard events.

At the same time working with both Gibraltar Netball and the Gibraltar government ensuring the facility specifications meet the requirements for International Netball events.

If you require any further information, myself and the Netball Europe management board would only be too happy to help.

Kind Regards

Catherine Lewis

Catherine Lewis NE Chair

Getting to Gibraltar

By Air

Gibraltar is accessible by land, sea and air.

Direct scheduled air services originate from the UK and Morocco.

Regular services to Gibraltar operate from the following destinations:

London Heathrow	<i>British Airways</i>
London Gatwick	<i>EasyJet and British Airways</i>
London Luton	<i>EasyJet</i>
Manchester	<i>EasyJet</i>
Bristol	<i>EasyJet</i>
Tangier & Casablanca	<i>Royal Air Maroc</i>
Edinburgh	<i>EasyJet</i>

*True at the time of submission.
Some services temporarily halted because of Covid-19.*

For all other airports outside of Gibraltar please see:

www.visitgibraltar.gi

Getting to Gibraltar

By Land

Gibraltar is also accessible via Spain. Gibraltar adjoins the southern coast of Spain at the western end of the Mediterranean. In order to be allowed through the border into Gibraltar you will be required to be in possession of a valid passport.

The land frontier is open 24 hours a day, seven days a week and there are no limits on the number of frontier crossings you can make if you have the appropriate documentation.

Visa Requirements

Passports are compulsory for all visitors, except EU nationals who hold a valid national identity card. *(True at the time of bid submission. Could change due to Brexit).*

All other nationals require a passport or other recognised travel document.

Stateless persons or nationals of certain countries require a visa to enter Gibraltar.

Generally, people who need a visa to enter the UK will also need a different visa to enter Gibraltar.

Gibraltar is not part of the Schengen area. Persons holding a Schengen visa and intending to enter Gibraltar from Spain must ensure that they can return to Spain.

If you are unsure as to whether you require a visa to enter Gibraltar please go to:
<http://www.gibraltarborder.gi/visa>

Currency and Banks

The first bank notes issued in Gibraltar date back to 1914 and the legal tender in Gibraltar is HMGoG Sterling notes and coinage, although United Kingdom sterling notes and coinage are equally welcome. Sterling is always considered at par with local tender. Credit cards and Euros are widely accepted.

However, should you wish to exchange your foreign currency there are plenty of banks and Bureau de Changes available. Although most places will generally offer the same exchange rate, if you are changing significant amounts it is advisable to search for the cheapest rate going. It is also recommended that when paying in a foreign currency at a private business that you ask at what rate you will be charged.

ELECTRICITY

In Gibraltar the power sockets are of type G, mainly used in the United Kingdom.

The standard voltage is 220 – 240 V and the standard frequency is 50 Hz

Water

Gibraltar's supply of drinking water is produced by reverse osmosis desalination, mixed and blended with water from some of the natural wells in the Rock and delivered from huge underground reservoirs located inside the Rock itself.

This potable water supply is extremely closely monitored and tested in the storage reservoirs inside the Rock and is therefore very safe to drink.

A separate supply of brackish water is used for sanitary purposes,

Organisation

The following structure has been designed for the organisation of the Gibraltar NWYC 2025 programme.

LOCAL ORGANISING COMMITTEE

Chaired by the President of the Gibraltar Netball Association assisted by the CEO, Gibraltar Sports and Leisure Authority.

- Marketing and Sponsorship**
- ☐ Gibraltar Tourist Board
 - ☐ Gibraltar Broadcasting Corporation
 - ☐ HM GoG Press Office
 - ☐ HM GoG Central Depts

- Technical Operations and Logistics**
- ☐ GSLA Facilities Team
 - ☐ Royal Gibraltar Police
 - ☐ Ambulance Service
 - ☐ Gibraltar Health Authority
 - ☐ Gibraltar Bus Company

- Finance, Legal and Admin**
- ☐ Ministry of Sport
 - ☐ GSLA Admin Team
 - ☐ HM GoG Attorney General Department

Gibraltar Netball Association will consult and seek assistance from previous hosts of Netball World Cup and World Youth Championships and implement processes as a result of their reflections and observations based on their experiences.

Meetings

Board Meeting

The University of Gibraltar will host the Board meeting two days prior to the Congress with refreshments provided at the venue.

Congress Meeting

Congress will also be hosted at the University of Gibraltar:
The following will be provided:

- Refreshments
- Lunch will be provided for all delegates and INF Board Members
- Conference pack provided to all delegates and members
- All other logistical requirements will be addressed.

Legal Requirements

All requirements as stipulated in the Organiser Agreement and Event Manual will be met (Please see organisational chart for Finance, Administration and Legal Structure).

Insurance

Gibraltar will arrange insurance cover in accordance with the organiser agreement.

Marketing

Her Majesty's Government of Gibraltar will support the event from both a financial and logistical perspective. Whilst there might be costs that HMGoG will cover, the majority of the support will come in the form of free provision of services such as, medical and transportation. The organisational chart demonstrates the high level of HMGoG commitment with the provision of these services at no cost to the organisers.

VISITGIBRALTAR.GI

Sponsorship

Irrespective of Government support sponsorship will need to be obtained. Corporate sponsors will be approached with different schemes which will provide opportunities for small, medium and large entities so there can be business community engagement at all levels. Close liaison with the INF is required to ensure that no agreements contravene or affect any existing contractual obligations/relationships.

#VISITGIBRALTAR

Ticket Sales

Ticket Sales will form a major revenue stream for the event. Local companies who provide the relevant service already have existing relationships with HMGoG.

Marketing

The Gibraltar Tourist Board (GTB) works very closely with the Gibraltar Sports and Leisure Authority as to the marketing of events held in Gibraltar. The GTB attend a whole range of travel and trade fairs where the NWYC 2025 will be another event that they will promote and distribute information using social media links.

Media

The local broadcaster would partner the event but other avenues will be explored in particular those pertaining to live streams for international transmission. This has already been undertaken for several Netball Europe events hosted locally.

Venues

1. Tercentenary Sports Hall (TSH) *Bayside Sports Complex*
2. Multi Use Games Area (MUGA) *Bayside Sports Complex*
3. Europa Sports Park (ESP)
4. Special Olympics Hall (SOH)
5. School Sports Halls

AUXILIARY SPORTING VENUES

1. Lathbury Sports Complex
 - IAAF Athletics Track*
 - 52m-8 lane FINA Certified Swimming Pool*
2. GSLA Swimming Pool Complex
 - 6 lane 25m Pool*
 - Accessible Pool*

Tercentenary Sports Hall

The Tercentenary Sports Hall (“TSH”) will be one of two main competition venues and is one of the main competition arenas, with a 45m x 30m Sports Hall, a sprung wooden floor and 8 changing rooms with showers.

Boasting a fixed seating capacity for 709 spectators, which can be increased to approximately 2000 via portable secure seating, the TSH caters for both medical/first aid rooms as well as Doping Control requirements.

This state of the art sports hall has already hosted several local and International Netball Tournaments successfully, including *Netball Europe Challenge 2018 and European U17 Netball Challenge 2019*, as well as hosting other International events such as *FIBA Europe Basketball* Tournaments

MUGA

MULTI USE GAMES AREA (MUGA), BAYSIDE SPORTS COMPLEX, BAYSIDE ROAD.

The MUGA at the Bayside Sports Complex is a 58.4m X 30.8m semi-rigid covered structure. The current surface is a multi-use plexi pave surface, however a wooden sprung floor will be hired or purchased and installed for the NWYC.

The MUGA arena is adjacent to the main competition hall and would serve as a warm-up area for any International Netball Competitions that might be held at the Tercentenary Sports Hall.

Sports Hall Specifications

Dimensions:

Length – 58.4m

Width – 30.8m

Height – 10m

Europa Sports Park

Sports Hall:
Dimensions
L 49m,
W 33m,
H 9m.

The southernmost tip of Gibraltar boasts views of Mount Sidi Musa in Morocco and the Spanish enclave of Ceuta. At this point, the Mediterranean Sea and the Atlantic Ocean meet. Here you can see the only Lighthouse outside the United Kingdom that is governed by Trinity House. Within this beautiful landscape lies our second main competition hall, in the Europa Sports Park.

The state-of-the-art, multi-purpose sports hall has a fixed capacity of 680 spectators, although easily convertible to a maximum of 2000 with portable secure stands. The hall currently features a taraflex surface, however a wooden sprung flooring will be installed for the event with approved INF markings.

Built with the intention of being completely adaptable to meet the needs of full international events the sports hall includes a PA system, Wi-Fi, large changing rooms equipped with showers and lockers, media box, onsite catering and first aid rooms. Doping control requirements are also catered for within the complex.

Recent events held include, XVIII Natwest International Island Games, Gibraltar Music Festival (2nd Stage), JDC Junior Darts, and Gibraltar Snooker Open Championships.

Europa Sports Park

An annex building within the complex measuring 28m x 11m can be easily transformed into the pre-match warm-up area for any competition games that will be played in the main hall.

This smaller hall also features a PA system, WI FI, changing rooms equipped with showers and lockers, media box, first aid room and direct access to a strength and conditioning gym.

Special Olympics Hall

Dimensions:
Length – 35.25m
Width – 22m
Height – 8m

The new Special Olympics Sports Complex is the home of Special Olympics Athletes and is available for the wider community to enjoy.

It caters for a variety of sports and features a gym, clubhouse and cafeteria.

With a seating capacity of around 400 and a mere two minute walk from the Europa Sports Park and Europa Suites. The venue will serve as a training arena for the participating nations.

Bayside & Westside Secondary Schools

These two venues stand side by side within our secondary schools catering for the needs of students and athletes in a wide variety of sports. The sports halls have full international Netball court markings with sunken Netball posts making them ideal for hosting netball activities.

Minutes away from the centre of town, the area has many advantages for holding structured team training sessions. Teams can also benefit from the privacy of these halls to conduct closed sessions.

Both halls have similar specifications – 40.4m X 19.4m X 9m

Transport

Gibraltar Taxi Association
Telephone: 20070027

Netball World Youth Cup 'Family' Transport

Accredited 'NWYC Family' (Athletes, officials and volunteers) will also be able to use specially scheduled Tournament Transport to venues around Gibraltar throughout their stay. Tournament Transport Buses will be similar to the model depicted below that was successfully used during the XVIII International Island Games 2019, featuring clear, identifiable tournament vinyl stickers/ markings.

Note: Non accredited people will have to use the local public transport services.

Transport

A TX Service will be available for those in possession of the authorised accreditation: Team Delegates/ Officials etc. The service will be available from 0700hrs – 2300hrs (TBC).

Public Transport (Gibraltar Bus Company)

The Gibraltar Bus Company has a regular bus service across Gibraltar, which operates from around 0700hrs to 2100hrs, offering a day pass for £ 2.50. A night bus operates Friday and Saturday from 2100hrs – 0200hrs, at a fee of £2.00.

Transport

With competitors, officials and spectators making multiple journeys each day, we want to make sure travel around Gibraltar is as easy as possible.

Most of the accommodation and Netball venues are within reasonable walking distance from each other and we would encourage walking as the primary method for getting around and enjoying the scenic surroundings, cutting down on traffic congestion and helping the environment.

A walking map between venues and accommodation will be provided closer to the date, and will include Points of Interest.

Sunrises that can be enjoyed during early walks.

As a partner of the GNA, Her Majesty's Government of Gibraltar will draw upon the plans that were executed so efficiently during the Natwest Island Games 2019. This will include the creation of a poly-clinic for accredited individuals. This will be organised under the auspices of the Gibraltar Health Authority.

In addition, Gibraltar's only public hospital St Bernard's Hospital will be available to all accredited individuals including its 24 hour Accident and Emergency Department.

Existing Potential Health Risks

Gibraltar mirrors its European neighbours in as far as the fact that there are no diseases/ailments that are indigenous to the local area. *Standard vaccinations will suffice.*

Covid-19

It is too early to ascertain what specific measures related to Covid-19 will need to be implemented. It is expected that given the time available a vaccine will have been developed and utilised on a global scale well before the NYWC 2025.

Legacy

As with any major sporting event it is important that the host looks beyond the event in question. Planning should strive to leave legacies that will not only impact the sport in question but the country in general. Hosting the NWYC 2025 will be no different and will capture the long term future of the GNA and the benefits to Gibraltar in general.

Gibraltar Netball Association:

Expand the skill set and experience available to the GNA in terms of administrators, technical officials and volunteers.

Develop a Netball School of Excellence for players, coaches and umpires
Showcase local **talent** on a global platform.

Community outreach opportunities to increase **awareness** of Netball within the community.

Increased **partnerships** and links with non-European Netball federations

Experience gained from test events in the lead up to NWYC 2025.

Gibraltar:

- ❑ Continue the development and empowerment of women's participation in sport.
- ❑ Positive impact to the local community and increase the netball fan base.
- ❑ Repeat destination as a holiday location (medium/long term).
- ❑ A leading venue for training camps/ tour events/Gibraltar branded events.
- ❑ Continued consideration for International events (long term).
- ❑ Increased political and social links with fellow members of the Commonwealth.

For the past 18 years Gibraltar has hosted the Gibraltar Chess Open which has consistently attracted over 400 of the World's top chess players. It is now ranked as the top Open Championships on the International Chess Calendar. In addition, the Junior version of the Chess Open has been held during August for the past 8 years and also attracts over 150 of the World's Top Junior Chess players

Conclusion

Gibraltar's proven track record as excellent international hosts demonstrates that we are well equipped to host the Netball World Youth Cup 2025. In this bid we have provided a detailed document covering all areas, drawing on the experience gained during numerous Netball Europe competitions and the XVIII Natwest Island Games 2019. Furthermore, Gibraltar's hardworking ethos and unrivalled enthusiasm is an assurance that we will deliver a top-class event.

To be entrusted by INF to host this prestigious event will no doubt create an environment where women will learn the life skills to enable them to have a voice in economic, political, sporting and cultural issues within Gibraltar.

*Gibraltar is the Place!
2025 is the Year!
Netball is the Game!*
