Main changes to the WN Technical Officials Manual

- The Official record of a match will be a WN Score Sheet AND a WN Player Change Sheet and Game Management Form for each Team that should be sent to World Netball
- Option to add Player ID Number and Name is now included. Player names on uniforms should match the score sheet. If ID numbers are also marked on the players uniform that should be reflected as the Player ID
- No longer a requirement to record if an attempt at a shot or a goal scored involves a penalty on the WN Score Sheet
- Order will be 'scored' then 'attempted' on the WN Score Sheets
- Removed the requirement for Technical Officials to put their initials by their names on the WN Score Sheet
- Removed the requirement to have carbon copied WN Score Sheets
- Reflects the use of the modified Templates and Appendix
