Visual Indicators at Official Bench

Visual Signal's must be available at the Official Bench as detailed below. They are held up by a Timekeeper to provide a check for the Umpires as well as information to others.

1. EXTRA TIME

Visual Signals must be available at the Official Bench for when Extra Time is played. The signal used to indicate Extra Time is a white background with black text 'EXTRA TIME'

If the scores remain tied after two periods of 7 minutes, then play must continue until one team leads by two goals. The signal used is a white background with black text 'EXTENDED EXTRA TIME'
