

World Netball Member and Region Workshop Programme

World Netball is planning to host a series of interactive workshops for Members and Regions at NWC2023.

Members will be asked to register for the Workshops ahead of Congress and will be sent details on how to do this in due course.

The workshop programme has been designed to mirror the World Netball Strategic Plan 'To Grow, to Play and to Inspire' that was issued in 2021.

Each session has a set of specific objectives. However, the workshop nature will allow, in most cases, for delegates to interact with the presenters and ensure their own issues are covered.
