

Wainikiti was appointed Director of Oceania region at Congress 2019. Wainikiti has a vast experience in netball administration having served in various capacities in district and national level over the last 20 years. She has been President of Netball Fiji since 2010.

Wainikiti holds a BA in Population Studies and Demography (University of the South Pacific), a MA in Pacific Island Studies and a Post-Graduate Diploma in Public Administration (both from the University of Hawaii at Manoa). She is the head of research and product development with the National Provident Fund, the only superannuation fund and largest financial institution in Fiji. She is also a director of several corporate/charitable/provincial organisations and is a Member of the Australian Institute of Directors.

She played netball from primary/secondary school through to club competition and continues to play social netball through the masters and business house competitions.
