## **New Zealand Remain Second Following Taini Jamison Series Victory**

World Netball has today updated the World Netball (WN) World Rankings following New Zealand's 2-1 victory over England in the Cadbury Netball Series for the Taini Jamison trophy.

The update includes matches up until the 30<sup>th</sup> September. Results from the ECCB International Netball Series, taking place from the 1<sup>st</sup> – 7<sup>th</sup> October, will be added at a later date.

No changes can be seen to any teams' WN World Ranking following the series, but it continues to be close at the top of the table.

For New Zealand, their two victories over England see them stay in 2<sup>nd</sup> place, closing in the gap on Australia with the difference in the world's top two's rating reducing to just 14.

England remain in 3<sup>rd</sup> place having won the first match of the series, before losing the final two.

The England Roses rating is now 10 lower than the New Zealand Silver Fern's, whilst the Jamaican Sunshine Girls are hot on the tails of the Roses in 4<sup>th</sup>, with their ratings separated by one.

### World Netball

World Netball is the sole, internationally recognised, governing body for netball affiliated to the Association of Recognised International Sports Federations (ARISF), receiving funding from the International Olympic Committee.

World Netball creates a better world through netball, inspiring netballers to embrace opportunities and achieve their potential. Netball is played in more than 100 countries around the world with 82 National Netball Associations affiliated to World Netball. The associations are grouped into five Regions – Africa Netball, Americas Netball, Asia Netball, Europe Netball and Oceania Netball – each with a respective Regional Federation. Regional Federations are an integral part of the global governance structure and assist in the implementation of World Netball policies and the development of the sport in their respective regions.
