

EMBARGOED UNTIL FRIDAY 30TH AUGUST 10AM BST

World Netball Announces Janet Young as Medical Advisory Panel Representative for Netball World Youth Cup 2025.

World Netball Announces Janet Young as Medical Advisory Panel Representative for Netball World Youth Cup 2025.

World Netball (WN) is pleased to announce that Janet Young has been appointed as the Medical Advisory Panel Representative for the [Netball World Youth Cup 2025 \(NWYC2025\), taking place in Gibraltar from the 19th-28th September 2025.](#)

Young was a Biomedical Scientist for Greater Glasgow and Clyde Health Board in Scotland for 37 years, is now a qualified UK Anti-Doping Educator.

In netball specific roles, Young is the Anti-Doping Lead for WN Region, Europe Netball, and Member, Netball Scotland and she is also a member of the WN Medical Advisory Panel (MAP), having been appointed in 2022.

Speaking on the news, Young said: "I am delighted to have been appointed by World Netball as the Medical Advisory Panel Representative for the Netball World Youth Cup 2025 to be held in Gibraltar and look forward to working in this role.

"This will be the first Netball World Youth Cup held since 2017 because of the cancellation of the last event due to Covid, so it's very exciting for everyone who is going to be involved."

Young's role will see her work on behalf of WN during the NWYC2025 to ensure the

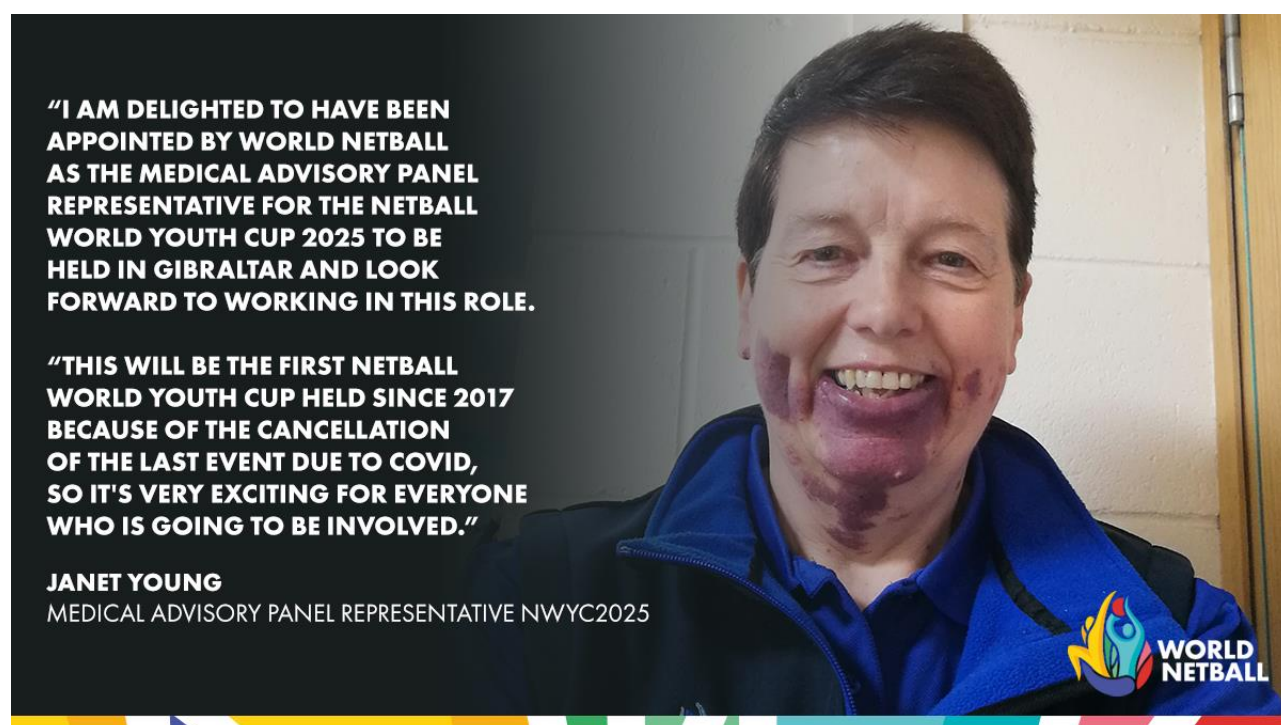

promotion and protection of the health of players and to protect clean athletes by the promotion and implementation of the World Anti-Doping Code and the WN Anti-Doping Rules.

World Netball

World Netball is the sole, internationally recognised, governing body for netball affiliated to the

Association of Recognised International Sports Federations (ARISF), receiving funding from the International Olympic Committee.

World Netball creates a better world through netball, inspiring netballers to embrace opportunities and achieve their potential. Netball is played in more than 100 countries around the world with 84 National Netball Associations affiliated to World Netball. The associations are grouped into five Regions – Africa Netball, Americas Netball, Asia Netball, Europe Netball and Oceania Netball – each with a respective Regional Federation. Regional Federations are an integral part of the global governance structure and assist in the implementation of World Netball policies and the development of the sport in their respective regions.
