World Netball

World Netball is the sole, internationally recognised, governing body for netball affiliated to the Association of Recognised International Sports Federations (ARISF), receiving funding from the International Olympic Committee.

World Netball creates a better world through netball, inspiring netballers to embrace opportunities and achieve their potential. Netball is played in more than 100 countries around the world with 74 National Netball Associations affiliated to World Netball. The associations are grouped into five Regions – Africa Netball, Americas Netball, Asia Netball, Europe Netball and Oceania Netball – each with a respective Regional Federation. Regional Federations are an integral part of the global governance structure and assist in the implementation of World Netball policies and the development of the sport in their respective regions.
